

# MEAT MARKET PHASE 2

## DENNISTOUN, GLASGOW

Pre-planning Application Public Consultation

  
**Meat Market**  
new homes coming  
from 2023-2025

**40 years**  
supporting  
Scottish  
communities

**People make  
Glasgow**

And people make Home Group too. We're passionate about supporting communities, and are committed to building the right homes in the right places - helping thousands of people find and live in the home that's right for them.

**Want to  
find out more?**

### Home with a history

Glasgow's heritage is important - we've created affordable homes with a history in Cathcart and Pollockshaws, and are now building a further 270+ homes here on the site of the former Meat Market.

**Home Group  
in Scotland**

We're a housing association with a long history here. This dates back to 1978 when a housing association called Cleghorn was created in Dundee - 40 years later we manage nearly 5,000 homes across Scotland.

Building homes,  
independence  
and aspirations

**£170m invested**  
in building and maintaining  
homes in Scotland

**Addition to the new  
community**

We're building a further 270+ homes here on the site of Glasgow's grade B listed Meat Market, which first opened in the 1870s. We'll create one, two and three bedroom flats with a mixture of private and semi private amenity landscaping spaces.
